

CREDAI Youth Wing

The Confederation of Real Estate Developers' Association of India (CREDAI) has announced its Youth Wing for the second generation of developers. It will focus on three main areas – technology, research and CSR activities.

A release from the company said, "Bimal Hegde, Director, Chartered Housing, has been named to lead the Bangalore Chapter of CREDAI Youth Wing. The Wing is a platform where the second generation gets to interact and learn from other developers."

Bimal Hegde said "This is a great opportunity for all the second generation developers to work together to improve the industry."
